

**Limited Warranty Policy
April 20, 2008**

WayTrac Systems, LLC warrants every WayTrac product to be free from defects in materials and workmanship for two (2) years, or the minimum period defined by applicable consumer law, whichever is the longer.

The warranty period shall commence on the date of purchase. Where the unit has been installed by an organization that is approved by the local Civil Aviation Authority to carry out Systems installation, and that organization has completed, signed, and returned the warranty card, the warranty period shall commence from the date of installation. Where a product has been returned under the terms of the warranty and has been repaired, serviced or replaced, the warranty period will recommence for another period of 1 year from the date of the repair, service, or replacement.

The customer shall be responsible for shipping costs to return of the unit to WayTrac. WayTrac shall pay shipping cost to return the unit to the customer.

WayTrac shall, at its sole discretion, repair or replace any components or software that fails in normal use.

This warranty does not cover failures due to abuse, misuse, accident, unauthorized alteration, or repairs carried out by parties other than WayTrac or an approved WayTrac service representative. This warranty does not cover failures where the product has not been installed or operated, in accordance with the provisions of WayTrac Systems installation documentation. This warranty is voided by removal of the case seal label. To obtain warranty service, first obtain an RMA number from WayTrac at:
